# HOBART SEAT

HEIGHT: 500mm WIDTH: 400mm DEPTH: 600mm

*The Hobart Seat is our  
Standard Helm Seat*

The Hobart Seat is an angler's helm seat that is popular with everything from Flybridge Cruisers to small centre console fishing boats. The seat is both durable & comfortable & is constructed using a commercial grade injection moulded foam for a seat that will provide years of comfort. This seat comes with the option of 1 or 2 arm rests & a rear grab bar.

# HOBART DELUXE

## Hobart Deluxe

The hobart Deluxe comes with deluxe arm rests & premium taylored cover.

# ECCO SEAT

## Ecco Seat

The Ecco has many of the structural features of a more deluxe seat, at an entry level price.

# HOBART TWIN

## Hobart Twin

Hobart seats can be supplied as 2 or 3 seaters to custom widths.

## **Premium Grade Materials**

---

*Inferno Boat Seats are manufactured from the highest quality materials available, using the latest in upholstery manufacturing techniques. Only stainless steel fixings, premium grade foam padding and the best quality marine vinyl are used.*

## **Guarantee**

---

*All seats come with a three month Full Replacement Warranty*

Inferno Boats Seats is a registered business of the wholly Australian owned and operated company, Bartons Upholstery Pty Ltd.
